Night Life

"So get out of the new if you can't lend a hand,
For times they are a changin' . . ." Bob Dylan

In a world preoccupied with space and speed, it becomes important for us to wander occasionally from the protection of home and classroom to observe both the accomplishments and pitfalls which mirror our cosmopolitan life. In doing this we realize that facts and figures are only a part of education—they must not be mistaken for the true product. They supply us only with the tools with which we build our great monuments of learning. Monuments composed not of stone or clay, but of ideas, emotions, and the conscience of man. These living monuments are the literature, architecture, art, mathematics, and science not only of the ancient Greek, Roman, and Egyptian cultures, but of our own contemporary civilization.

The city of Los Angeles, so much a part and product of our civilization, is itself, a showplace of these monuments. The sprawling buildings, the museums, the art galleries, the theatres, the music centers, and the coffee houses are but expressions of what goes on inside man.

We cannot understand this "inner" process by relying on the classroom alone. It is during the after-school hours that the generation of tomorrow can explore and being to comprehend their world and begin the cultural and personal growth which cannot be achieved within strictly academic confines.

In our quest for uniqueness and identity, our language, dress, and music may bewilder other generations, but it is only through these expressions that we are provided with an individuality which separates us from the past and a kinship which unites us to face the future.

Today there is no longer a certain specified time when boys and girls step into men and women by "going out into the world." We are a vulnerable generation that has been BORN "into the world." The barrier of remoteness from society which formerly separated youth from sophistication has broken down. Instead we are faced early with the staggering complexity of life, accompanied not only by a seemingly endless barrage of material benefits and delusions, but also with a whole new variety of risks which have made the prospect of facing the future exciting, as well as challenging and frightening.

The six hours of instruction a day delivered in the classroom will lay a foundation, but they alone cannot provide an education. It is during those so-called leisure hours that we can apply what we have learned and learn yet more that we can apply in the years to come. With this realization, the PILOT Staff of Redondo Union High School has chosen "night-life" as the theme for the 1965 yearbook.

They who educate children well, are more to be honoured than they who produce them; for these only gave them life, those the art of living well.

Student Council

WALTER BAR
A.F.S. Switzerland

Woodrow Wilson believed in democracy because it "unleashes the energy of every human being." If this is true then democracy most certainly belongs in the school since a more energetic group hardly exists in society. Whether alloting funds for support of Redondo's foster children, beginning plans for the newly inaugurated Honor Roll, making preparations for the Senior Class gift (a giant metal Seahawk), or simply organizing assemblies and rallies, then the Student Council of R.U.H.S. is a fine example of the degree of constructive and active organization of which young people are capable.

Varsity Dance

A popular way to keep warm

Varsity Sweetheart
JANET BEASLEY

Mirror mirror on the wall, Janet Beasley is fairest of all—which made her the reigning Varsity Sweetheart chosen by vote of the players. Janet radiates not only beauty but sincerity with her gleaming smile. Mr. Hay, the football coach, presented her with a gold football necklace and a kiss and she hasn't washed her face since.

Ken Kalenik, Bill Ackman, Jeryl Lynch, Walter Bar, Al Pili, Pam Holland, Bruce Winnie, Jim Ceserio, Anne Taylor, Keith Huber.

Varsity Dance

The traditional Varsity Dance was the finale to a sensational 1964 football season and also the blithesome ball for eleven Varsity Court Cinderellas. The brawny, audacious football players were transformed into proud and elated escorts as they finally saw their Boys' "R" Club efforts manifested with the assistance of their club sponsors, Mr. Jack Parks and Mr. Rex Hughes.

The gaiety of the evening was unknowingly acknowledged by the happy smiles and sparkling eyes of Saturday night Redondoites. And when it was all over many sighed, not with relief but with an unspoken wish that we could start football season all over again.

High Tide Cub Reporters

The High Tide Staff manages to get all the latest in news, sports, opinions, and fashions to give every paper reader a Friday afternoon treat. Under the guiding hand of Miss Helen Sinsabaugh, this group is well armed with typewriters, erasers (even they make mistakes), wild imaginations, and unwavering steadfastness (heaven knows they need it). This tiny corner of the campus reflects the many moods of our motley student body, and to them we owe a handful of thanks for their defense of the American principle of the freedom of the press.

High Tide-Advanced Staff

This set of characters may look docile enough, but don't let that fool you. You should see these top brass of the High Tide Staff during working hours. You should see them after hours. You should see them trying to meet deadlines. You should see them nervously twisting at locks of hair. Each of them has a past history of nervous disorders and fine training in the sort of writing that makes the High Tide one of the highest rated school publications in the nation.

Fiesta

The girl's physical education classes with the creative assistance of Miss McCollum transformed the musty gym into bustling Mexico City for the annual candy-filled Fiesta. The continuous and colorful performances included shapely matadors, rambunctious bulls, calypso swingers, hair-raising sword dancers, tambourine tappers, candy snitchers, and legend interpreters. Each period commenced with the gracious entrance of a gym class queen who reigned over the festivities during her class period.

This jam-packed day received the undivided attention of both teachers and students who sacrificed valuable class time to become cultured spectators.

Senior Play

The Class of 1965 proudly presented the 2-act satirical comedy "The Madwoman of Chaillot" by French playwright Jean Giraudoux. A busy sidewalk café in Paris and the basement of an eccentric Countess set the scenes while the plot revolved around the destruction of all the wicked people of the world. (It sounds like a pretty good idea, huh?) The Countess and her bizarre compatriots have a mock trial and the evil are convicted to death. No, not in the gas chamber but in a bottomless cellar (guess you know what that means), and the result is a delightful interpretation of the salvation of the world's ills.

Mr. Richard Gustafson, drama director, met the December 11 and 12th deadline with perfect success even though the cast portrayed a variety of typically mixed up people.

Band

No, that was not the Liechtensteinian police force drilling on our football field this year. It was the seventy-nine members of this year's energetic band who were quite an impressive sight at the games, rallies, and concert assemblies. It was not by nimble fingers or hot wind alone that the melodious tunes emanated from these various instruments. It was with their persistent hours of faithful practice that such products of grace notes vibrated our eardrums. Even this year's Pep Band added a touch of class to our basketball games. Mr. Ted Misenhimer should be congratulated.

Sandy Durant

Majorettes

Looks easy, huh? You think so? Visit the field on some afternoon during a joint spraining, muscle straining, bone breaking practice session with majorettes Le Schinneller and Sandy Durant. Only Redondo could boast of majorettes so dedicated, so co-ordinated, so ingenious, so vibrant, so persevering, so majestic, — and by the end of the football season — so tired and so bruised.

Drill Team

Left right. Right left. Even in their sleep these high-stepping members of the Seahawk Drill Team hear orders of their avocation. In fact, many of them suffer chronic marchingitis—which comes from hours and hours of dutiful training. Sometimes they find it hard to walk and when the season is over some of them must carefully relearn the funda-

Madrigal Choir

Want a little Wagner or maybe just a few bars of "When You Wish Upon a Star"? One Madrigal Choir coming up! Having recuperated successfully from a whirlwind musical tour through Mexico, the R.U.H.S. Madrigal spent a busy concert packed year, traveling with conductor, Mr. T. Wilson, from assemblies to P.T.A. meetings, from ocean liner to Indian village, from college to Womens' Clubs and back again to Redondo to provide still more just quality entertainment and inspiration for their receptive peers.

A Cappella Choir

Music can entertain, amuse, and inspire. Redondo's A Cappella Choir supplies holiday assemblies and seasonal concerts with such music that they succeed in accomplishing all three. Mr. T. Wilson can again take a bow for straining forth every ounce of musical inclination from these well used vocal cords.

American Field Service

Myriam Hernandez from Philippines

Ideals of the American Field Service are, "Walk together, talk together, O ye peoples of the Earth, then and only then shall ye have peace." These foreign exchange students are encouraged to participate wholeheartedly in the life of their American community so they may learn first hand of the many different aspects of our customs, ideals, interests, and problems. They also broaden our horizons by telling of their own countries and daily lives in their own homes.

Myriam Hernandez came to RUHS from Donsol, Philippines where she was editor of her school paper. She enjoys writing poetry, collecting stamps, and reading books. She has been an undefineable asset to Redondo by her poise, sincerity, and friendliness.

Walter Bar from Wetzikon, Switzerland contributed his athletic talents to our football team having played on soccer and handball teams at home. He enjoys American movies and he wants to be a physicist. This Swiss made doll was admired by everyone (needless to say).

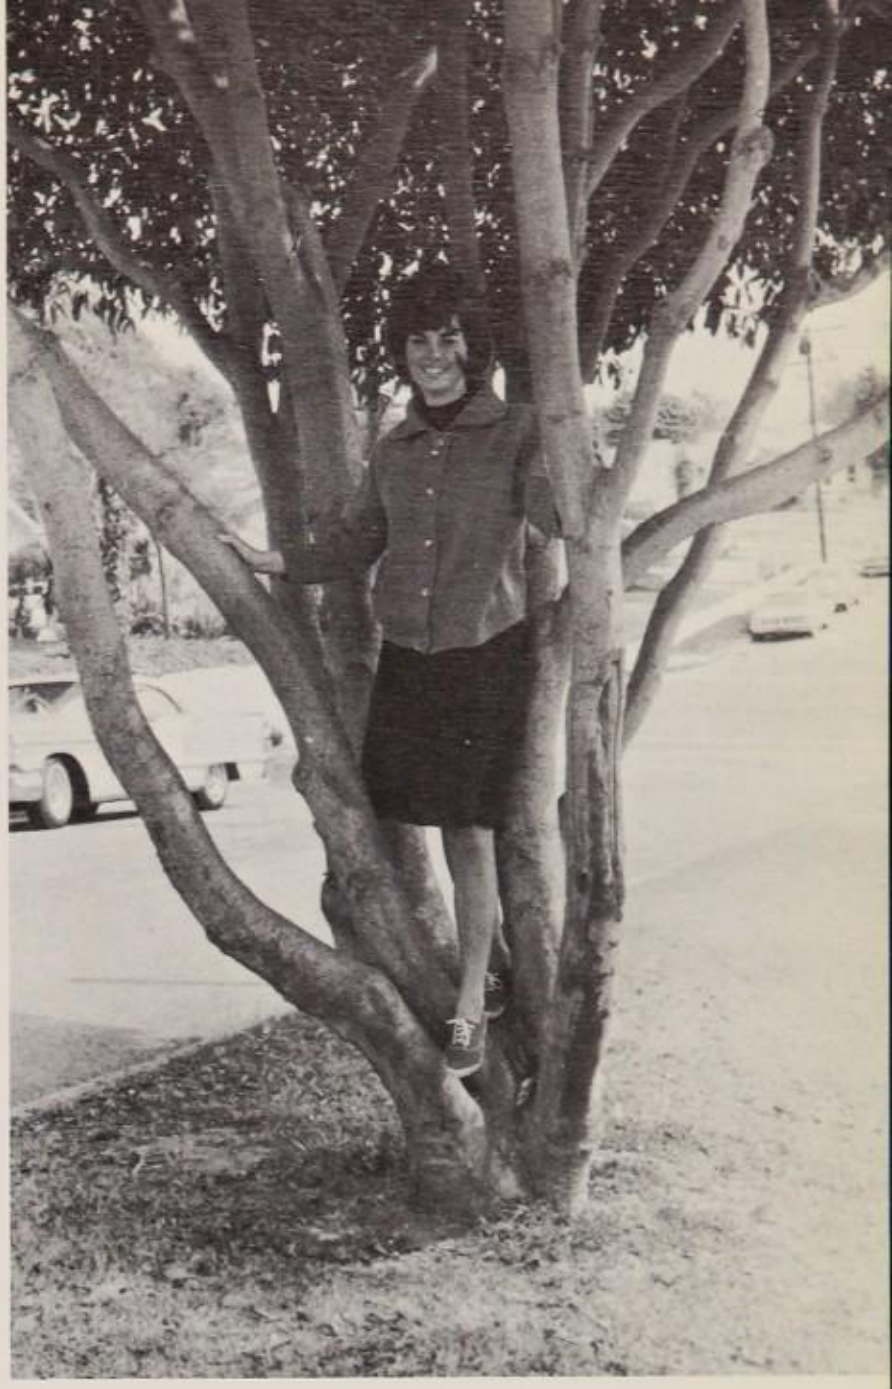
Dave Druliner, Redondo's own Student Body President, went to Montevideo, Uruguay last summer where he went to school and taught as well. He was active in two basketball teams, a church group, and family excursions.

These people provide a basic understanding among nations, and we are grateful.

Pacific Shores Queen

The unparalleled honor of reigning as Pacific Shores Queen was this year bestowed on Debbie O'Day. She graciously exhibited her dignity and charm during the friendly competitive tournaments. Selected by popular vote of the state's No. 1 rated basketball players, Debbie proved herself worthy of the honor by radiating an unceasing spirit of enthusiasm necessary to encourage any redblooded American boy to accomplish great feats. She proudly received the traditional Pacific Shores basketball necklace and the team received the first place trophy—what team could offer more to a deserving queen?

TISA ODDI, 1965-66 Key Club Queen



DEBBIE O'DAY, 1964 Pacific Shores Queen

Key Club Queen

A respectable Key Club noted for its unselfish service to R.U.H.S. and the community naturally desires the symbolic asset of a beautiful queen—Tisa Oddi is the royalty who adds this elegant touch of femininity for her 1965-66 reigning period. As queen she graces the club with her presence at all regular meetings, the Spring Installation Dinner, the athletic excursions, and the Kiwanis luncheons (all without force, of course). She also represents the club in competition for the District Key Club Queen. Above all this, Tisa symbolizes the high ideals, standards, and goals of Redondo's most active service club.

Cheerleaders

Ever wonder what it takes to motivate a crew of school-weary, lethargic Redondoites into exuberant enthusiasts on a Friday or Saturday night? Mystical as the situation may seem, it is not one of the Seven Wonders, only a small miracle performed by our lively cheerleaders at most athletic functions. Karen, Lenard, Leslie, Georgia, and Carole tirelessly strive to bring color, excitement, and good-natured spirit to our football and basketball games. If this isn't enough, ask them about the impromptu Costa rally at Snack, or the formal rallies in the boys' gym, or the hours of creative thinking that goes into their numerous cheers. Their year has been a successful one, but who's wouldn't with the support of the Student Body?

Sing a song of sixpence
A pocketful of rye,
Redondo's vibrant songleaders
Cannot be denied.

This year, to add color, class, and co-ordination to our consistently successful basketball games, five gracious songleaders were elected from the drill team to assist the cheerleaders in promoting spirit. Their presence alone was enough to encourage any bright-eyed spectator to shriek with victorious exuberance. They couldn't score added points, but they surely added femininity.

Girls' & Boys' State

California Girls' and Boys' State is part of a great national youth-in-government program which is sponsored annually by the American Legion Auxiliary. This 9-day course in practical civics on the city, county, and state levels convenes during the summer in Sacramento. The purpose of such a program is to foster and perpetuate 100% Americanism; to uphold and defend the Constitution of the United States; to safeguard and transmit to posterity the principles of Justice, Freedom, and Democracy; and to inculcate a sense of individual obligation to community, state, and nation. Indeed this is a program worth more than a million words because nothing can replace the experience of government in action—even if it is a mythical 51st state.

Girls' League Executive Board

An extremely observant person might well feel a little befuddled by the variety of Girls' League (Redondo's largest selective organization) activities which range from the obviously philanthropic to the seemingly mercenary. If one is quite observant, he would note that the driving force guiding the legs of this monstrous millipede is the Executive Board. But even an untrained observer would be aware that the girls who could organize and coordinate the Big-Little Sister Party, the Christmas welfare drive, the fund-raising candy sale, and the Co-ed Ball must possess not only ambition and energy but the desire to help. The members of the Girls' League Executive Board are fine representatives of the "better half" of a fine student body. Mrs. Maureen Linder and Miss Margaret Pringle are the charming sponsors.

First row, l. to r.: Jeanine Gardner, Karen Lopez, Nancy Valentine, Carol Melberg, Myriam Hernandez, Suzie London. Second row: Leslie Wilmot, Karen Dohn, Glenda Selsor, Judy Sakai, Linda Abt. Boys' League Executive Board

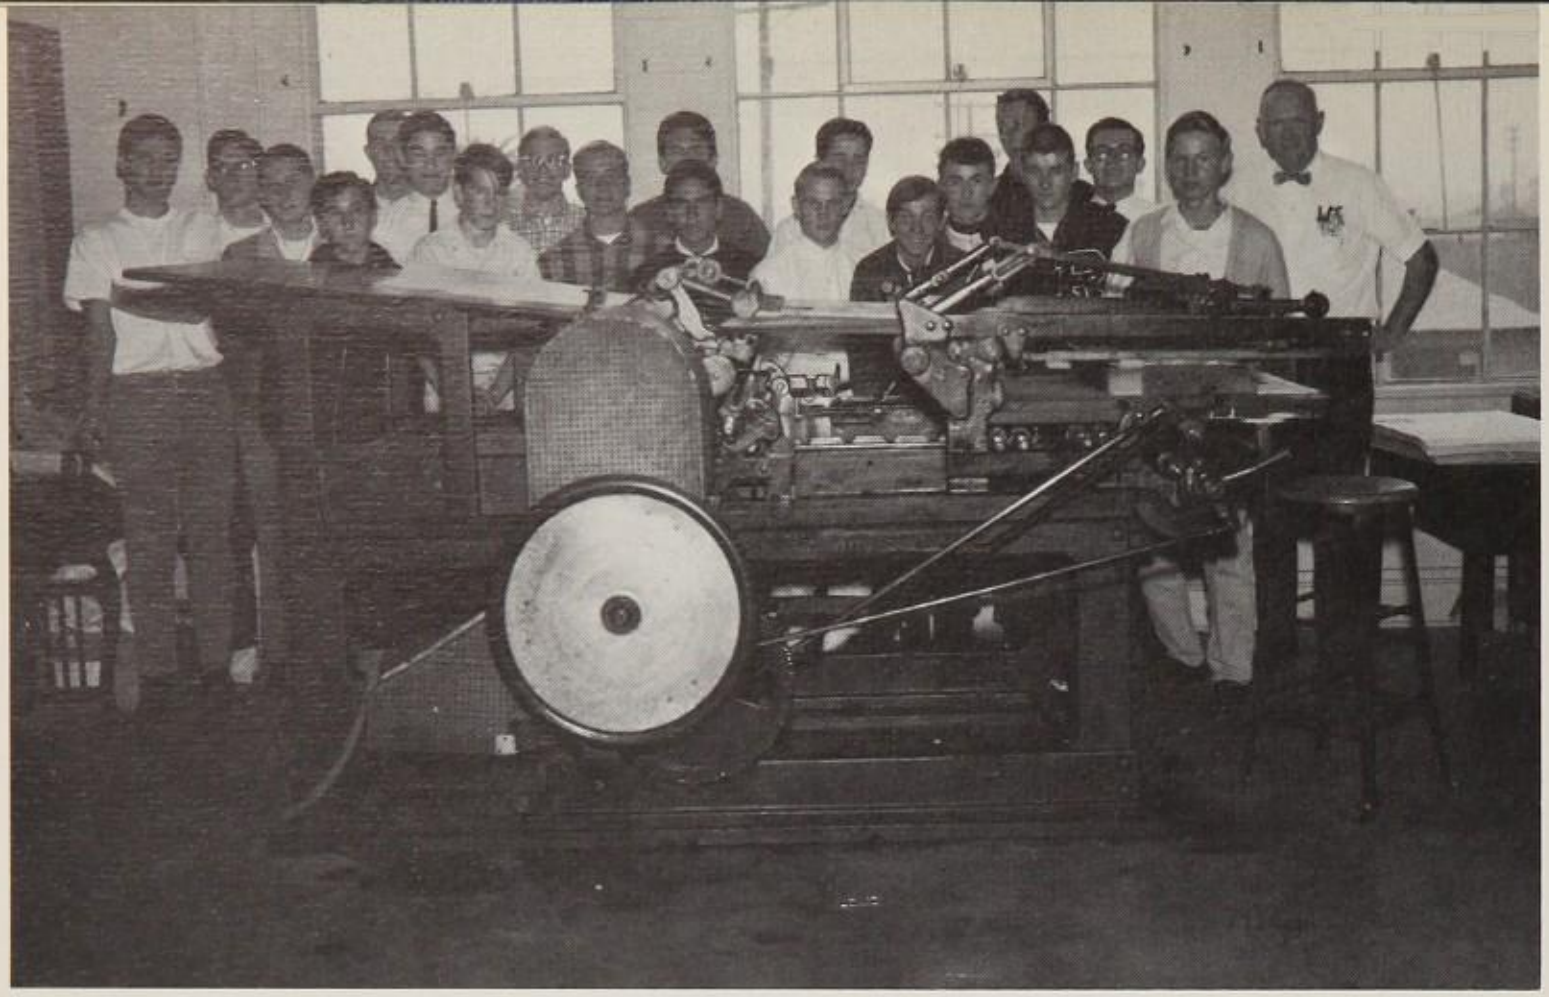
Left to right: Ronnie Stevens, Mike Fitzgerald, George Valenzuela, Richard Carper, Jim Nobles.

Going on the assumption that boys play an important if not vital part in life on Redondo's campus, then their representatives (few but nimble, mind you), are very appropriately M.I.P.'s— Mighty Important People. They have upheld the tradition of their exalted position this year by providing entertaining and inspirational programs for their constituents—surfing and ski movies, Tokyo Olympic films, Hello Day activities, and a Father-Son Banquet. They even teamed up with the Girls' League in a joint Christmas welfare drive for needy families. Mr. Richard McIntosh is the leader of this masculine pack.



Left to right: Mike Williams, Ron Stevens, Dave Cox, Ed Lockett, Dana Clyde, Larry Etow, Mike Griffith, Bill Bush, Larry Lynch, David Kawell, Jerry Hinzo, Nick Wilson, Mike Harden, Ed Ellison, Bill Bean, Dave Benton, Lloyd DeSimone, Steve Newman, Mr. Robertson.

Print Shop

It is scarcely debatable that for sheer quality Redondo has it all over that other local paper (the Daily Draft?), but what could one expect when the dedicated instructor is Mr. Tom Robertson and the young printers are nimble Redondo students. They have carried their kindergarten skills to the secondary level where they excel in creating such masterpieces of the printer's art as the High Tide, Senior Play programs, Varsity Show tickets, and anything else they can get away with.

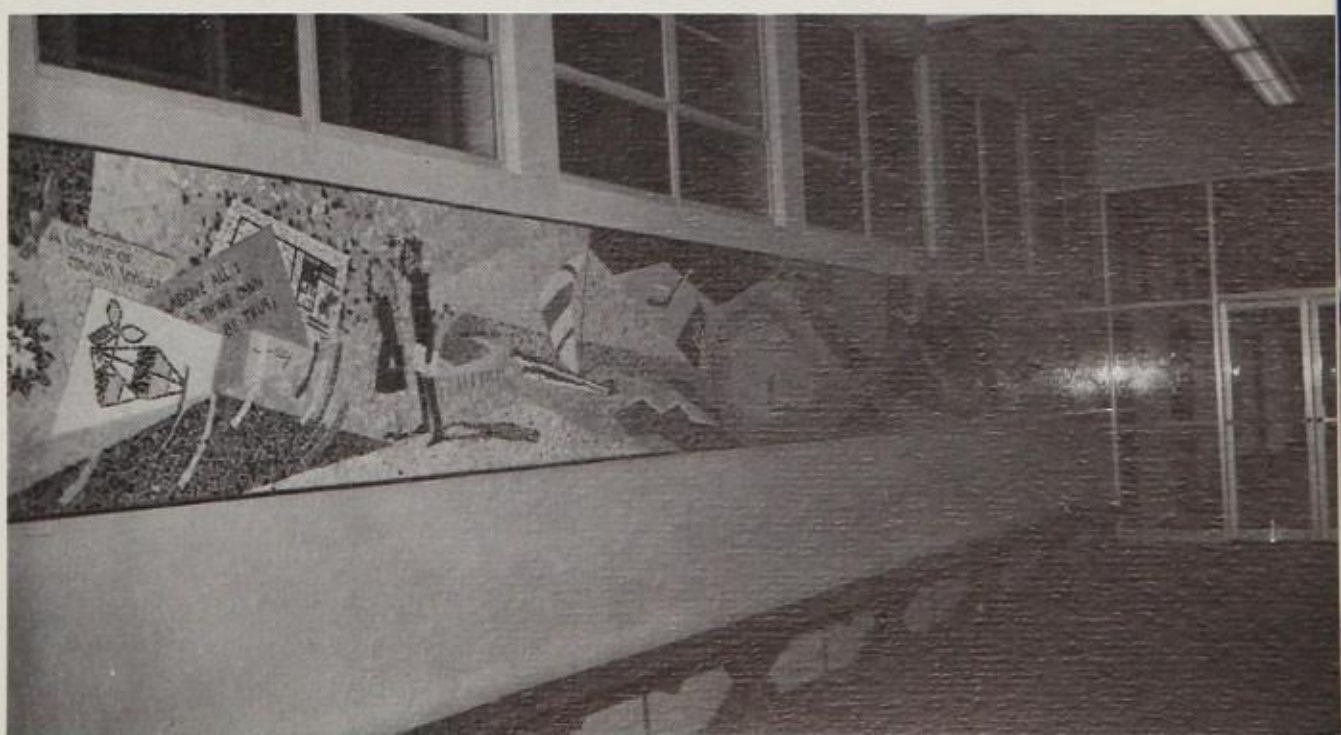
Ivy Chain

The wind's acting up and the wet softness of the grass cannot mar the solemnity of the occasion. The members of the Ivy Chain each year, through their part in the commencement activities, are made aware of the responsibilities—as well as the honor—of being among the finest scholars and student leaders in the new senior class. The Ivy Chain is a pride-inspiring tradition in a school distinguished by fine traditions.

Reflections

Through the glass door, the windows —on the wall of a long hallway inside— I see a spacious multi-colored strip of sparkling warm and cool colors . . . Moving closer, I discover smaller, intricate patterns inside the larger forms. Close by I see words . . . a phrase, "With Liberty And Justice For All" which leads to another form bearing Einstein's formula for energy . . . From the central image, arcs of radiating light move gently away encompassing and illuminating all forms; the homes of our town, our school, the enlarged paper shapes bearing words, formulas and designs . . . From the right and high above a huge bird (a seahawk!) spiritedly swoops up and away from our old columned auditorium . . . This — our pictorial review of life at REDONDO.



Candy Stripers

The red tape that awaits cutting is enough to discourage most potential Nightingales from pursuing the noble trade of soothing the sick and mending the broken. However, a small remnant exists of those who withstand the rigors of orientations, inspections, and expectations. The Candy Stripers contribute vigor and freshness in the field of medicine at local hospitals. The work is hard, the rewards are personal, and the volunteer services they perform have proven that teenagers are useful for something other than tormenting their parents.

High School Red Cross

This year's High School Red Cross has participated in activities such as helping the Veterans at Sawtelle Hospital and the Inglewood Baptist Children's Home. The group has also helped in a car wash which was organized to raise money to buy musical instruments for Chilean students. Veterans were treated to a party complete with entertainment performed by Redondo, Aviation, and Mira Costa. Their service is manifested in the community with unselfish contributions of time and effort.

Dress Board

Too short, too tight, too high . . . just nagging you think? More accurately, the members of Girls' League Dress Board act as the arbiters in that perpetual battle 'twixt fashion and fad, winsome and weird. The taste of these girls is admired and respected by almost all on campus. With the guidance of Mrs. Doris Kutch they have accomplished this goal through various sound-off sessions, hair style presentations, and fashion shows. Even Edith Head had to start somewhere.

Oh, just a dozen or so average, fun-loving, frustrated kids—distinguishable only by a rather unique array of characteristics—loyalty, literacy, patience, willingness, tact, and serenity. (You can laugh now.) Even in the face of grave psychological pressures, they remain composed and unaltered because of their dedication to the construction and creation of this year's annual. Future Retailers

When the members of this club are around, you had better be sure your wallet is at home —or your will-power is strong. They are liable to sell you your notebook or perhaps your worn bookcovers. We must forgive them though, they need sales experience to conquer the ruthless world of business in the future.

Future Teachers and Coaches

"My part is to learn." The school motto would perfectly pertain to this group of future leaders. Their aim is to better understand this great and necessary profession and to find a productive way to channel their interests. This club helps provide the "know-how" through their numerous activities which gives the members a clear picture of their future. They will be the teachers of the dear, little darlings of tomorrow.

No, F.B.L.A. doesn't stand for Filth Bothers Lazy Animals but for Future Business Leaders of America. This ambitious business group is united by their common interest in learning more about their various aspirations. It is these people who will someday manage your financial affairs, real estate interests, and maybe even your personal interests. Who knows?

Reading is the key to becoming a learned person and it takes a heap of reading, reciting, and reviewing to mold young intellects. The objective of this club, assisted and instructed by Mr. John Porter, is to advance their vocabulary development, reading speed, and depth of comprehension. Perhaps these people would be more capable of analysing **"Catcher In the Rye"** than many adults. After all, we reflect literature and literature reflects us. Reading is the key.

History Club

History, like charity, it seems, begins at home. In addition to viewing the celluloid records of some of Redondo's own vagabonds, the members of the History Club, with the help of Mr. George Snyder and other historical members of our faculty, have been exploring the history of Redondo High and the city of Redondo Beach through the old records, annuals and such. They just don't make history like they did in the good old days.

Latin Club

Muttering "et tu Brute" under their breath as they shuffle down the escalator of life draped in togas, the members of the Latin Club are firmly dedicated to the task of proving that the language can indeed be alive. Remaining ever true to this code, they undertake the production of a toned-down and dignified version of the Roman Banquet.

Paletters

Under the talented hand of Mr. Caesar Hernandez these born-again dilettantes shall rise above their environment and prove their worth as Paletters. This year, as in the past, they have done so at the Bullock's Art Exhibit. On top of all their other worthwhile and charitable projects, the Paletters assisted in creating the massive mural dedicated to R.U.H.S. that graces the attendance office wall. For this and other reasons, we thank Mr. Hernandez and his Paletters for choosing our campus as their California Louvre.

Math Club

It is an amusing picture that the words "math club member" seem to conjure up in some minds. He no doubt wears very thick glasses — but that really doesn't matter anyway, since he walks about, head bowed, slide rule in hand, with a glazed, distracted stare, glancing up every now and then to mutter cube roots — in Roman numerals, yet! — Right? Wrong!

He and the club sponsor, Mrs. Irene Hopkins, are different in only one major respect — they possess a greater awareness of the ever increasing importance that mathematics is playing in our world around us.

Quill & Scroll

A society unto itself, honorary and respected, Quill and Scroll contains the elite of Redondo's literary talent. The members are discriminately selected on a basis of scholarship and school service. They must rank in the upper fourth of their class, and must work on a campus publication such as High Tide, **Pilot**, or Compass.

Miss Helen Sinsabaugh holds the reins of this exuberant group as sponsor. She is also advisor of the High Tide.

Penpointers

These are the neophyte poets and creative talents of the school. We like to think that perhaps some day — some way — one or two of these select few will forsake the merits of the material world and devote himself to the expression and enjoyment of the inner-self. And if you know one, YOU will be considered a friend of the elite. So remember these Penpointers, these engravers of immortality. (They write for the **Compass,** too).

People Club

"What is people?" Every Wednesday, a collection of Redondoites gather to hash over the latest news, but this is not their major purpose. Amid all the parties, amusing films, and daring(?) feats, people in the People Club talk about people. Some of the objectives of this friendly organization, headed by Mr. Ron Kooper, are to correspond with foreign pen-pals and to get enough membership to become members of the World Friendship Club. Aren't we all proud of the fine work these "People" have done?

Youth Fellowship Club serves as an inspirational lift for a large group of Redondoites who faithfully attend the enlightening Friday morning meetings. The club extends a warm welcome to any and all types of people who can benefit from the high quality of their planned programs. Meetings include speakers, films, singers, skits, slides, panel discussions, and music. This variety of inspirational entertainment adds that touch of tranquillity to what is often a hectic, chaotic day. Mr. Walter Brubaker is their responsible sponsor.

California Scholarship Federation

On an icy Friday fall evening you might distinctly have heard that most time honored of capitalistic battle cries — "Get your red hot popcorn"! All through the football season California Scholarship Federation members worked frantically. If at first it seems strange that some of Redondo's finest scholars and student leaders, under the able direction of Mrs. Irene Hopkins and Miss Lorietta Scheerer would be involved in such a feduciary pastime, one should examine more closely the tiny gold pin each member wears. That "SS" does not mean secret police. It is the Federation's motto, Scholarship for service. The proceeds from many Friday nights' hard work finance the many services that C.S.F. donates, especially the Christmas welfare drive and scholarship funds. Now then, popcorn anyone?

Mantle Bearer

From each class there has emerged one student who, for three years, has stood scholastically above all the others. Upon this hard-working student is bestowed the honor of having the position of Mantle Bearer.

The Mantle Bearer, by virtue of his position, serves as president of the California Scholarship Federation. This year the solemn title has been granted to David Cole. His initials, like those of his predecessors, will be sewn upon the mantle as a perpetual emblem of his achievement.

What is a club with keys capable of doing? These junior and senior boys unlock their pent-up energies and exercise their man-power by performing incalculable services for R.U.H.S. and the community.

Sponsored by the respectable leadership of Mr. George Bergan and Mr. Robert Carne, these boys are also associated with the Kiwanis Club of Redondo. Membership is granted on the basis of citizenship and personality.

Key Clubbers sell goodies at football games, collect for welfare drives, and munch on lunch duty. They also make perfect kings for any lucky queen.

Semper Comites

"Service with a smile" is the motto of these diligent young ladies who execute their duties of service at P. T.A. meetings, banquets, and Open Houses. They are responsible for the annual Red and White Dance, which is the grand finale of Red and White Week and the formal introduction into football season.

Requirements for membership are a bit discriminatory. First — sex, one must be a girl. Second — age, this girl must be a senior and third — she must have earned a set number of service points during the previous years.

Their sponsors Mrs. Mary Seifert and Mrs. Zelma Fortney deserve a tribute for maintaining sanity after their services have been performed.

This will certainly go down in history as the "Century of the Girl." Women have made their mark in literature, science, politics, and, now, athletics. These members of "R" Club, under the sponsorship of Miss Bea McCollum, are our contribution to the "Olympians of the World." No, they are not Musials, Chamberlains, or Palmers, but they're all we've got, and we love 'em.

Cognotai

This scintillating group of junior girls is responsible for maintaining discipline at Girls' League Assemblies, ushering at school functions, serving dinners to husky athletes, donating time to worthwhile causes and community drives, and planning a Pilot signature party for every lucky person who bought this book and can sign his name. Cognotai is an organization in which self-satisfaction is the primary reward. Mrs. Irene Moore and Mrs. Burnelle Stannard are their steadfast sponsors.

How do wheels go? Round and round and round . . . One may find these wheels rolling around at rallies and school assemblies. Not quite the "big wheels" yet, this boys' service organization consists of freshman and sophomore boys. They are sponsored by the Rotary Club and Mr. Chuck Hitt. When they are not ushering or patrolling, the various wheels may be found rolling onward to meetings, hamburger-fry initiations, and generally having a good time. Wheels also run in the snow, as proven by their annual snow trip. Time rolls on, so does Wheel Club, to bigger and better steaks, rallies, and service to R.U.H.S.

Did you ever stop to think what big boys are made of? Take one long look at these masculine "growths" and your eyes will marvel at the answer. This year's lively and sprightly lettermen have been dedicated not only to their sports but also to their club, which was regenerated by the zealous endeavors of these devoted athletes. They parked cars at football games, cheered cleverly at basketball games, and planned the A-1 Varsity Dance of '64. Mr. Jack Parks and Mr. Rex Hughes are the sturdy souls who support these big boys.

Girls' Athletic Association

As members of the Girls' Athletic Association, these young ladies do their best to help maintain a place for women in the world of sports. During their sixth period class they hold tournaments and meetings and host playdays for other schools in their own tournament. Dinners, more commonly known as "spreads," are held four times annually. Each year they participate, along with the other girls' physical education classes, in the Fiesta. The climax to a fun-filled year of learning and sharing comes with the annual Mother-Daughter Tea. Here the girls receive awards and recognition for their achievements.

Radio Club

These are the "big operators" of R.U.H.S. Ham operators, that is. They are dedicated to spreading good will, friendship and the local gossip to fellow radio-operators far and wide through their amateur radio station K6EFN.

Mr. Al Friebel, the sponsor of Radio Club, encourages these hearty boys in becoming experienced hams and pork chops.

Musical Arts

These students are to music as a gourmet is to food. They tread the paths of musical harmony lightly, but leaving a lingering hint of splendor resounding through our halls.

Whether it be ancient lyre or modern lyric, they devotedly pursue this goal to the pride and encouragement of Mr. Thomas Wilson as he pushes this group on to bigger and better discoveries in the field of music.

Chamber Ensemble

That lilting song you heard wafting on the warm spring air was rendered by that harmonic group — the Chamber singers — directed by the Indiana Hoosier, Mr. Tom Wilson.

Redondo's choral group has not only been a cultural but a colorful euphonic asset to the community.

Cervantes

What does it take to reach the top rung of the Spanish ladder at R.U.H.S.? It takes a working knowledge of the language and an ability to converse in it.

What is the reward? Membership in the honorary Spanish club, Cervantes. With the assistance of its sponsor Dr. Ethel Watt — the club continues down the paths of glory, speaking Spanish gaily as it goes.

Spanish Club

Under the supervision and guiding hand of Senor Mario Ortiz, this burgeoning group, consisting of those interested in the Spanish language, does its best to keep "sympatico" with its Latin neighbors. The dedicated members, to be sure, would list the many field trips and picnics as only a secondary motive for their ardent enthusiasm — or would they?

First row, l. to r.: Sylvia Guillen, Lourdes Amancia, Debbie Schaffer, Nia Shurter, Barbara Fitzgerald, Melody Jimenez, Cindy Morrison, Linda Chapman, Teresa Anaya. French Honors Society

These members of the French National Honor Society are the real "creme de la creme" of Redondo's many fine French students. Under the direction of Mr. Richard Gonzales and through such activities as a real French dinner — tres elegant — and viewing plays—en francais—the Society hopes to stimulate both the knowledge and interest of its members in the language and culture of France, a worthwhile goal — "sans doute".

First row, l. to r.: Jeanine Gardner, Mary Watson, Linda Burris, Sandy Durant, Tisa Oddi, Mr. Donlon. Second row, l. to r.: Lynn Cubberly, Norma Hokinson, Shirley Roth, Sharon Remmers, Monique Kuracinski, Helene Francis. Third row, l. to r.: Jan Sollee, Maureen O'Rourke, Gary Johnson, Chip Chillington, Emily Rasmussen, Lucretia Watkins, Mr. Gonzales.

French Club

It might very well be said that the thing that makes learning another language so hard is that it is so foreign. It is part of the French Club's purpose to make French, France, and Frenchmen seem a little less foreign. The club, under the direction of Mr. Richard Gonzales, seeks to achieve this worthy goal through such activities as the French Club Dinner, the language festival, French films, and the language department party. After all what could be foreign about a party? N' est-ce pas?

First row, l. to r.: Mr. Gonzales, Mary Watson, Dick Hudson, Gary Johnson, Tisa Oddi, Monique Kuracinski, Jeanine Gardner, Mr. Donlon. Second row, l. to r.: Tassie Kostas, Lynn Cubberly, Norma Hokinson, Shirley Roth, Sharon Remmers, Sandy Durant, Helene Francis, Faye Hadley, Jill Bollinger, Ruth Veale. Chess Club

A wise queen always gets her king unless the strategic plan conspired in the heads of these Chess enthusiasts goes amiss. The Chess Club members unite to perfect their skills in this thought-provoking pastime, while congenial Mr. Earl Church stands by and breaks up any brawls over the queen.

Theatre Arts Club

If part of education's purpose is to teach poise and self-expression, then these members of the Theatre Arts Club may well be some of the best educated people on campus. They have certainly mastered the art of expression and projected their flamboyant personalities in such a way that a stage could rightfully become their own backyard.

First row, l. to r.: Bob Hoch, Terry Rogers, Alex Londres, Mr. Gustafson, Bill Dean, Leonard Juarez, Jim Ragland, Bruce Tallon. Bowling Club

"Stee . . . rike!" The jubilant cry of a successful bowler echoes down the alley as he chalks up another ten points on the road to perfection. Do you have sharp vision, strong legs, steady hands, a stalwart heart, and short fingernails? Then you've got what it takes to be a full-fledged bowler. Also bowling tournaments inspire competition, promote good sportsmanship, and improve bowling skills.

Sailing Club

"Ahoy mate!" is the greeting these swabs might give one another as they swagger across campus, looking down on the lowly land lubbers, with salt subtly clinging to their lashes.

Led by their sea-going sponsor, Mr. Richard Klein, they journey to such exotic outposts as King Harbor where they take turns manning the tills of the club's two Sabats, often taking salty flops into the blue Pacific, "just for the heck of it."

First row, l. to r.: Roberta Chillington, Dawn Schembri, Linda Chapman, Dianne Olson, Mary Watson, Jan Hoffman, Pati Freeland, Ricki Drappo. Second row, l. to r.: Christy Curtis, Carol Riple, Scott Walraven, Sue Meeks, Scott Curn, Steve Cass, Wally Foultl, Fred DeGraaf, Teresa Taylor, Pat McLaughlan.

Bee Football

This year's Beehawks will long be remembered as one of the greatest Bee football teams ever assembled at Redondo. Under the expert leadership of coaches Nick Aegerter and George Galanes, the Bee's came out on top of the Bay League with a perfect 5-0 record. In the process of winning the league, the defense didn't allow a single score against it, while the offense went wild, scoring a total of 143 points. The Bee's also won the P.T.A. Football Carnival games and all four of the pre-season games played.

The Bee's started off strong early in the season and became even stronger as time passed. Perhaps the sweetest victory was the 32-0 shellacking which they handed arch-rival Mira Costa in the perpetual cross-town "Civil War." All in all the Bee's played a rough, rugged, game of football. This took guts, stamina; and it took these boys.

Cee Football

The glory of Redondo is evidently not over and for anyone who doesn't believe this statement, just take a look at the "C" football team. Our future Fitzes, Krigs, Kaleniks, and Joneses were just one point from a perfect record and first place. That isn't bad— to use a Costa-sized understatement. Among the boys who made this possible were: G. Cook, G. Butterfield, W. Martin, C. Henderson, J. Jones, L. Wilson, T. Stevens, T. Crawford, and voted "most valuable player" was Alan Gonzales.

Inexperience hampered Redondo's 1964 cross country squad, but with five varsity lettermen returning, 1965 looked very bright. The 1964 squad was built around returning seniors, Keith Essex and Bruce Nobles. They were joined by juniors, Tim Clemens, Gary Bentley, and Don Maher; and sophomores Bob Duley and Don Burns. After getting off to a slow start, Coach Jack Parks' harriers finished strong, winning their last four dual-meets and taking third in the Bay League.

Varsity Basketball

The most talented group of men to ever don the Seahawk uniform, gave students and alumni reason to be proud of their school. A phenomenal 26-1 record was compiled by the team, which was rated number one in C.I.F., number one in the state, and number three nationally. Although not capturing the C.I.F. title, the team was still better than any other playing. The pressure of twenty-six consecutive wins caught up with the Seahawks in the semi-finals and they were defeated by North High of Torrance.

The Seahawks won the Bay League title for the twelveth time in its history, with a 12-0 record. Redondo also won the Pacific Shores Tournament and the Beverly Hills Tournament. Palos Verdes and South High were the only real contenders for the championship with the Seahawks playing the most dramatic game of the season against Palos Verdes, where the score at the end of the first period was 1-0 and at the end of the half was only 5-1. Our old rivals at Mira Costa bowed to the Hawks four times this season which warmed the hearts of the student body.

Rex Hughes, in his first year as Varsity coach, did a remarkable job as mentor. An outstanding player at Redondo in his own right, Mr. Hughes was named coach of the year, an honor well deserved for the hours of labor he put forth in order to form the 1965 champion Seahawks.

Varsity Basketball: Dave Cox, Dana Clyde, Ray Woodfin, Dave Druliner, Karl Honigman, Paul Hoffman, Bob Clemo

Jeff Sims, Kip Busby, Dave Cole, Richard Fitzgerald, Rick Ellis, Coach Hughes.

All CIF center, Bob Clemo outjumps North High star Ron Taylor.

Bringing home the laurels for the '65 champions was Bob Clemo. Most outstanding player in both Pacific Shores and Beverly Hills tournaments, All-Bay League and South Bay Area outstanding player and All-CIF selection, Bob is probably the best basketball player to ever come to Redondo. Averaging 12 points and 17 rebounds per game, Bob has been a repeater on the All-League and All-Area teams for the last three years. Clemo concentrated on defense and rebounding which furthered the team greatly.

Bob

Paul

Not to be overshadowed was Paul Hoffman, who made All-Bay League, All-Area, All-CIF, and other all-tournament teams. Hoffman had a torrid shooting average of 22 points per game and pulled the Seahawks through in some tight games with his remarkable shooting.

A not to be neglected player this year was Jeff Sims. Adding another 6ft. 6½in. to the front line made the Seahawks virtually unbeatable. Jeff used his averages of 11 points and 16 rebounds per game to get himself on the Bay League second team, all-area third team and Pacific Shores team.

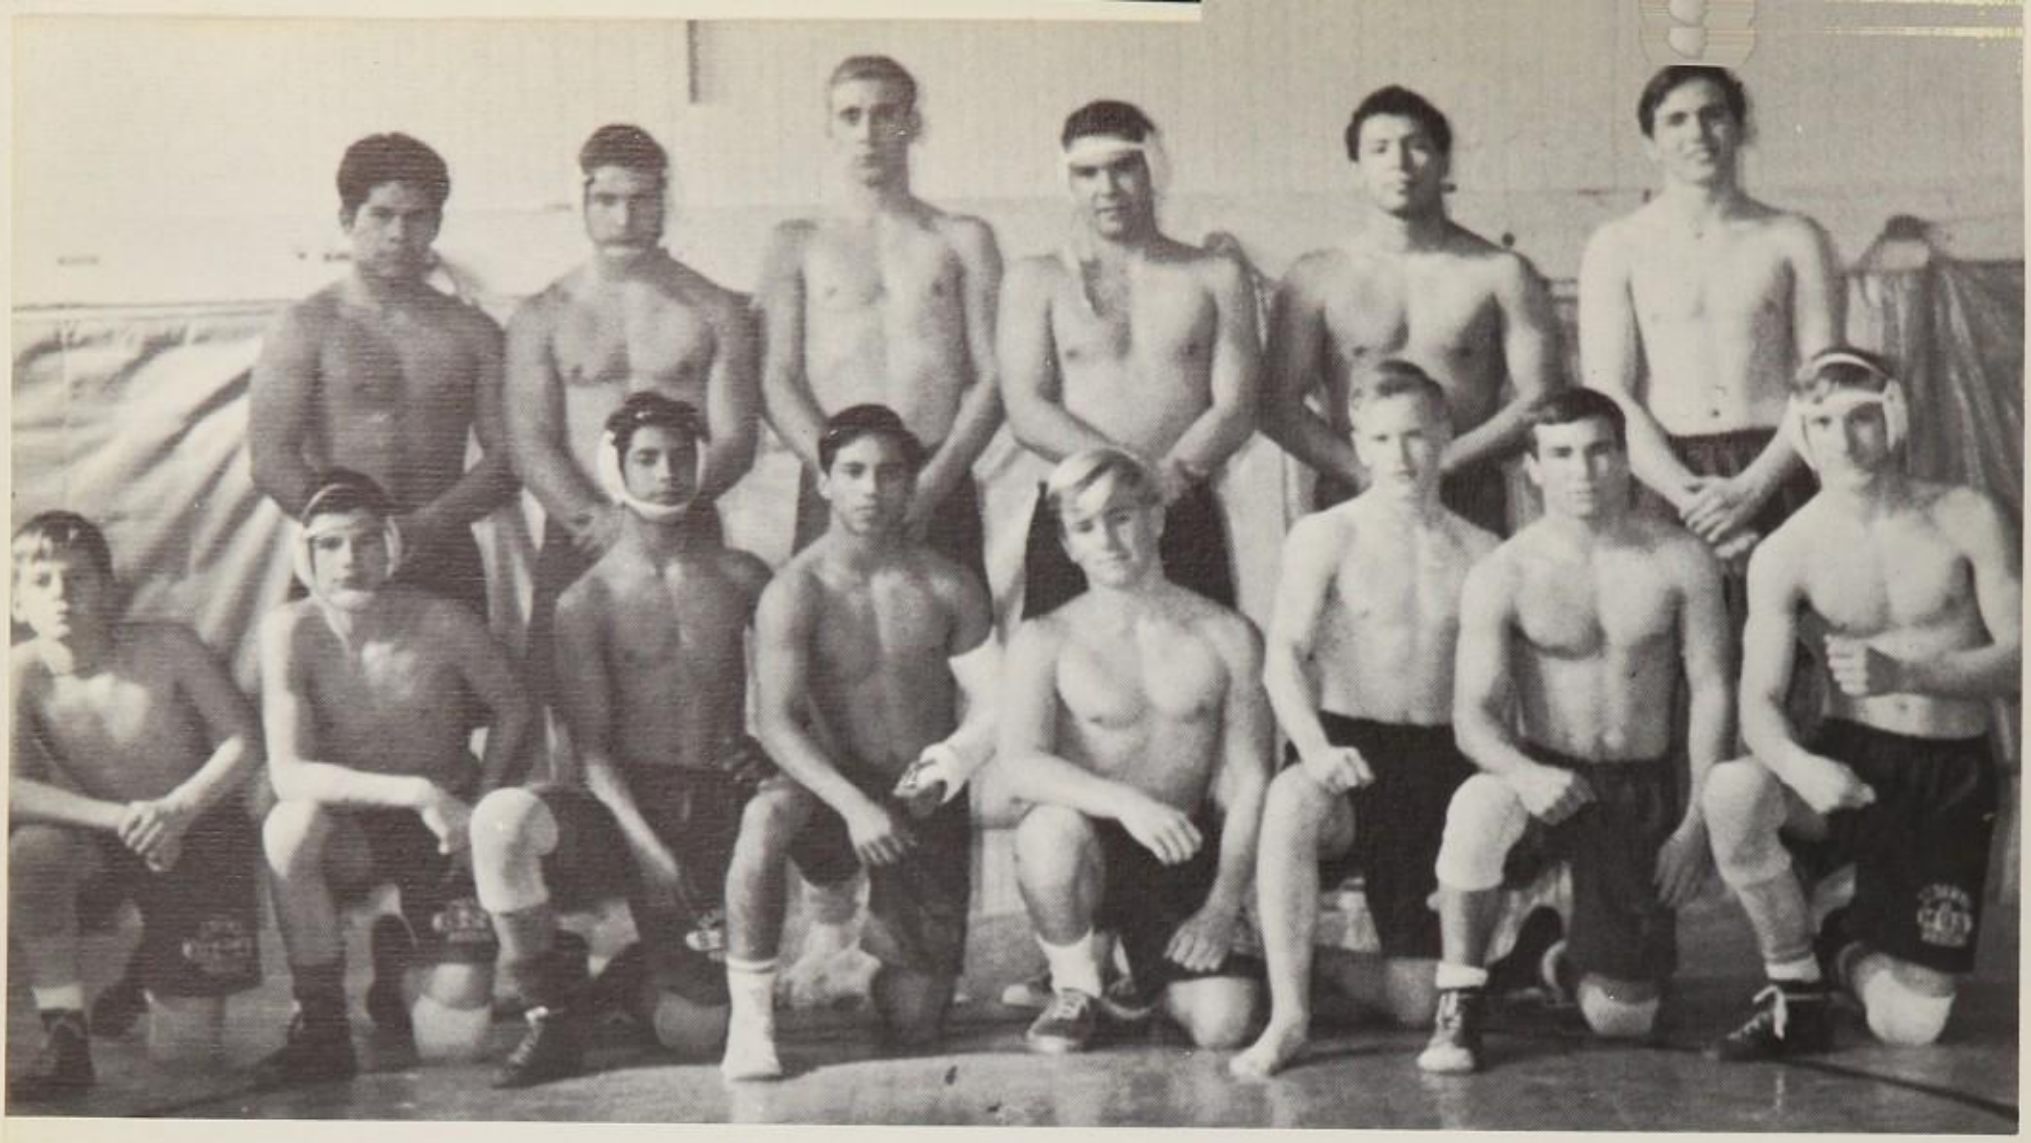
Dave and Ray

Jeff

Captain play-maker and spark plug of the team was Student Body President Dave Druliner. Using his inside passing and outside shooting (10.7 points per game) Dave paced the team to their numerous victories. David was also on the All-Bay League and All-Area teams.

Ray Woodfin, although in his junior year, teamed with Druliner to be an effective guard combination. Paced by four super-stars, Ray will be returning in '66 to lead the Seahawks to (we hope) the third consecutive Bay League Championship.

Reserves



First row: l to r; Dan Lively, Rex Kaufman, Alan Gonzales, Sergio Gonzales Don Rowan, Jim Nobles, Bob Urhausen, Jerry Brey. Second row: l to r; Leonard Barela, John Segda, Harold Hoffenburg, Bruce Winnie, Sid Gutierrez, Danny Roberts.

Varsity Wrestling

The Varsity grapplers made an impressive showing this year taking third place in the tough Bay League behind South and Mira Costa repectively. The season was marred greatly when last year's 98 lb. C.I.F. champ, Sergio Gonzalez broke his left arm with just three weeks left in the season. This was a very unfortunate break for Sergio (a senior) and the Redondo team. However, four Seahawks won their Bay League classes: Allan Gonzales (106 soph) Bob Urhausen (sr, 123) Jerry Bray (sr, 130)and Bruce Winnie (jr, 168).

Urhausen went on to capture first in C.I.F. in the 123 lb. class and Gonzales took second in the 106 lb. class. Next year coaches Mike Burley and Gilliland are looking forward to another fine team.

Swimming

Hardly a swimming record previously set still stood in the wake of the 1965 Varsity swimming team. Working before and after school, Chuck Hitt's team shaped into one of Redondo's finest.

Led by Brian Gerold, described as potentially Redondo's greatest swimmer, Tom DeKleinhans, John Baker, Bill Siddons, and Jay Evarts, the Seahawks were upsetting the league as of the spring deadline. Tom Faulk and Tom Siedel were the leading Varsity divers.

Brian Gerold broke five school records with his specialty in the 200 yd. freestyle in a time of 1:59.2. Bill Siddons, who came to Redondo only this year, set a new school record of 2:18 in the individual medley.

Baseball

Former Trojan and N.Y. Yankee infielder and now Seahawk coach, Jim Brideweser, won the Bay League last year with a mark of 10-5 and he's hoping to repeat.

"We have a team with excellent pitching, average hitting and good fielding and we could give anyone a battle," stated Coach Brideweser after winning four in a row.

Brideweser opens with Terry Smith in center field, Ray Guerra in left field, leading RBI man last year, captain Jim Cesario at third, Dana Clyde at first base, Steve Denhart in right field, Chester Stewart catching, John Eno at second and brother Eddie at short.

Brideweser can call on Bill Brown, Jeff Sims, Larry Gonzales and Ray Woodfin for pitching chores.

The newly initiated freshman team, headed by Coach George Galanes is sparked by Dino Saavedra, Tom Michelson and Greg Butterfield.

Tennis

Moving from hard wood to cement courts, successful coach Rex Hughes looks to his racqueteers to improve their third place standing of '64.

Because of the CIF basketball play-offs several of his stars (Dave Druliner and Dave Cox) were still off on timing and rhythm as the season began. Dave Druliner is bracketed as number one singles player followed by Phil Esquibel, Dave Cox, Lee Headley and Gary Johnson.

Ken Kramer (a great name in tennis) and Dean Shepardson constitute first doubles and Steve Sims and Tom Mosher second doubles.

Leading the junior varsity at first singles is Rick Burciaga. Last year the JV's finished second at 7-3 behind perennial winner Santa Monica.

JUNIOR VARSITY; First row, l. to r.: Andy Snowden, Brian Delameter, Paul McConnell, Pete Ackman, John Riley, Chip Chillington, Pete Costas, Al Watrin, David Christian, Bob Dreizler. Redondo cindermen were well launched into a successful '65 season as the Pilot went to press. Coach Jack Parks was ecstatic over the Seahawks' first victory over Mira Costa and an upset victory over South. With these two victories Parks is hoping to top last year's third place rating.

Leading the varsity have been Joe Platt and Greg Ruestow in the hurdles, Bruce Nobles in the broad jump, Tom Walker and Steve Fufr in the pole vault, Earl Donoho and Bruce Mahaffa in the high jump, Eric Arumae in the shot put, John Jones and Keith Huber in the short races, Fred Nugent in the 880, Keith Essex and Bob Duley in the mile, and Don Maher and Gary Bentley in the two-mile.

1965 Coed Ball

The sophisticated elegance of the Airport Marina hotel on the outskirts of Los Angeles was the majestic setting for the 26th annual Coed Ball. This 9:00 p.m. to 2:00 a.m. dinner dance was spent in a festooned atmosphere, conversing at classic round tables by the light of crystal chandeliers, and listening or dancing to the melodious tunes of Hal Loman and his orchestra.

The royal procession of the court, chosen by vote of the Boys' and Girls' League, and the crowning of the King and Queen by the 1964 King Wayne Sankey and Queen Kit McCoy, highlighted the evening's festivities. Following the dinner, entertainment was provided by Peter Evans, a Flamenco guitarist; Danny Cox, a Negro folk singer; and Steve Forest, another singer. They put the harmonious finishing touches on the short-lived 1965 Coed Ball . . . but it's nice to remember — [illegible]d to sleep.

Redondo High School students and teachers were saddened by the passing of Jean Gail Ramsay, November — 1964, in an automobile accident.

Recently married after preparing at University of Southern California to teach social studies, English and physical education, Jean was an avid sportswoman, student and had a wholesome charm that will be remembered.
